Kirstie Edwards

Bereavement Services Manager - England

Since my dad died unexpectedly when I was 10 years old, I dreamt about supporting others who have experienced bereavement. This experience and the support I received in the aftermath inspired me to complete my studies in both Creative and Therapeutic Arts and Counselling. Then go on to work in the charity sector for the last 10 years, providing support to families and their communities. It's a privilege to join the 2wish team and I'm really excited to support the team in expanding 2wish into England.Outside of work, I love spending time outdoors, reading and being creative.

Milly Wheeler

Fundraising Manager - England

I've been working in the charity sector since I graduated from university in 2016. My background is in events, fundraising and operational management. I feel incredibly lucky to be part of the team at 2wish, and love seeing first-hand the impact of the work we do for our families! Outside of work I enjoy being out in nature, and spending time with my family and friends!
